- 2- Once the app is downloaded, you will be able to log in via the screen pictured below. You would have been sent the Domain and Username via email. The domain is **bankhouse** (this is case sensitive) and your username will be your email address. You will not have to log in again unless you change your details or need to reset your password.

### Log in screen

A screenshot of the app's login screen. At the top is the 'EVIDENCE FOR LEARNING' logo. Below it is the text 'Sign in'. There are three input fields: 'Domain', 'User name', and 'Password'. A blue 'SIGN IN' button is positioned below the password field. A link for 'Forgot Password?' is located below the button. At the bottom of the screen, a white box contains a red 'HINT' message: 'HINT: Please contact your school if you have forgotten your Domain or Username.'

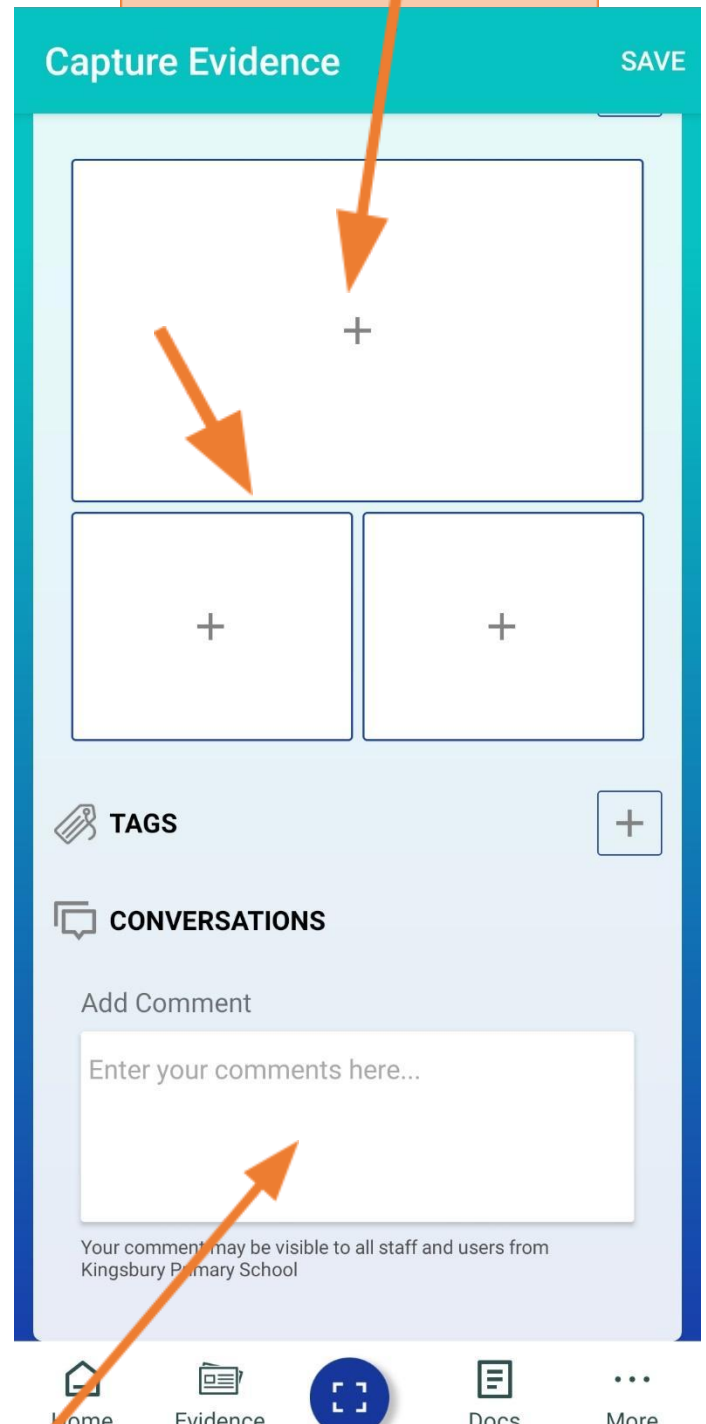

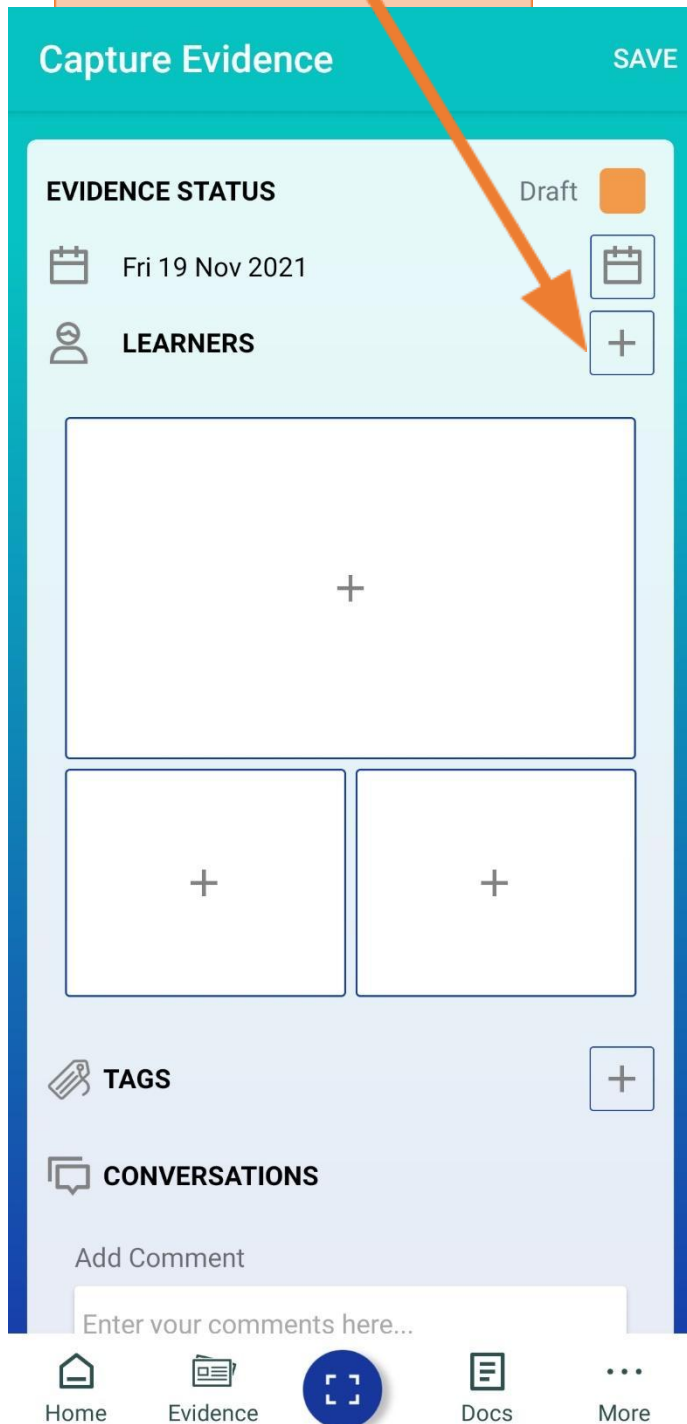

3- Once you have logged in, you will see the home screen pictured below.

4- Capturing Evidence – This is very similar to how you upload evidence using the Parent Portal Website.

Click the + button next to learners and select your child, if you have multiple children at Kingsbury and the Evidence includes both children, you can select multiple Learners.

Click the + button in the empty box, you will be given two options, Take a Photo/Video or Photo/Video Library. Select the option which you require and then select your photo or video.

Once you have selected the learner, uploaded comments; you need to Published and then click Evidence and you will be able to view it via the Evidence tab.

In the conversations section, you can add a comment about the evidence you are uploading.

photos/videos and added any change the evidence status to Save. This will save the able to view it via the Evidence

5- Viewing Evidence – You have two options to view evidence, the Tile view and the Journal View. You can click into the evidence to see the photos/videos and the comments. You can even leave your own comment if you'd like!
